Department of Economics
The Pennsylvania State University
602 Kern Building
University Park, PA 16802

Current Position

Liberal Arts Professor, Department of Economics, The Pennsylvania State University
August 2023–present

Previous Positions

Professor, Department of Economics, The Pennsylvania State University
August 2016–2023.

Cross-appointed Professor, Institute for Social and Economic Research, Osaka University
May–June 2016, April 2017–June 2018.

Professor, Department of Economics, Eller College of Management, University of Arizona
July 2010–June 2016.

Visiting Professor, Department of Economics, Harvard University
January 2015–May 2015.

Economics Department Head, Eller College of Management, University of Arizona
July 2012–December 2014.

Associate Professor, Department of Economics, Eller College of Management, University of Arizona
July 2004–June 2010.

Visiting Associate Professor, Department of Economics, Harvard University
January 2009–May 2009.

Associate Professor, Department of Economics, University of Miami
July 2001–July 2004 (with tenure, June 2003).

Assistant Professor, Department of Economics, UCLA
July 1998–July 2001.

Education

Harvard University, Ph.D. in Economics, November 1998.

Harvard University, A.M. in Economics, November 1996.

Yale University, B.A. in Economics, Summa Cum Laude, June 1992.

Awards and Fellowships

Fellow, International Association for Applied Econometrics, 2020–.

Fellow, Econometric Society, 2013–.

Outstanding Undergraduate Instructor Award, Department of Economics, Penn State, 2017.

Nakahara Prize, Japanese Economic Association, 2015.

Fellow, Academic Leadership Institute, University of Arizona, 2013–2014.

Kalt Prize for Doctoral Placement, Eller College of Management, University of Arizona, 2011.

APS Professorship, Eller College of Management, University of Arizona, 2008–2016.

McCoy/Rogers Fellowship, Eller College of Management, University of Arizona, 2005–2008.

Eller Fellowship, Eller College of Management, University of Arizona, 2004–2005.

Excellence in Research Award, University of Miami School of Business, August 2002.

Mitchell Prize, American Statistical Association Section on Bayesian Statistical Science, and the International Society for Bayesian Analysis, 2001, for article with Imbens, Rubin, and Zhou.

Dean's Marshal Award for the Division of Social Sciences, UCLA, 2000.

Warren C. Scoville Distinguished Teaching Award, Department of Economics, UCLA, Fall 1999.

Zellner Thesis Award (co-winner), Business and Economics Statistics Section of the American Statistical Association, 1999.

National Science Foundation Graduate Research Fellowship, September 1993–August 1996.

Harvard University Committee on Undergraduate Education (CUE) Certificate for Distinction in Teaching, spring 1996, spring 1997, spring 1998.

Phi Beta Kappa, Yale University, 1991.

Academic Presentations (since 2015, invited seminar or conference talk unless noted otherwise)

2025: International Seminar on Selective Inference (online), University of Michigan, University of Chicago.

2024: University of Southern California, Econometrics in Rio Conference, ESIF Economics and AI+ML Meeting (contributed).

2023: Princeton University, Yale University, Bravo/JEA/SNSF Workshop on Using Data to Make Decisions (Brown University), Penn State/Cornell IO/Metrics Conference, University of Tennessee.

2022: University of Illinois Urbana-Champaign, Interactions Conference (Madison, invited discussant), Indiana University, National University of Singapore, Singapore Management University.

2021: ASSA Panel “Information, Modeling and Inference” (online, invited panelist), Chamberlain Online Seminar (invited discussant), Cowles Foundation Econometrics Conference, University of Wisconsin, University of Pennsylvania, Northwestern University, University College London.

2020: McMaster University, Chamberlain Online Seminar (invited discussant), University of Chicago, Yale University.

2019: University of Virginia, Emory University, University of Toronto.

2018: ASSA Conference (Philadelphia, invited discussant), University of Kansas 2018 Workshop on Advanced Econometrics, Yale University.

2017: ASSA Conference (Chicago, invited discussant), First Econometrics Workshop at Notre Dame, Handbook of Econometrics Conference (Becker-Friedman Institute, University of Chicago), Binghamton University, Georgetown University, Johns Hopkins University.

2016: Princeton University, Kyoto University, University of Tokyo, Keio University, Hitotsubashi University, Northwestern University Interactions Conference (invited discussant), Simon Fraser University, University of British Columbia, University of Chicago.

2015: Institute for Social and Economic Research (Osaka University), University of Illinois Urbana-Champaign, Boston College, NBER Field Experiments conference (Cambridge, MA, invited discussant), Harvard-MIT Econometrics Seminar, Brown University, Japanese Economic Association (Nakahara Prize Lecture, Niigata, Japan), Frontiers of Theoretical Econometrics Conference (Konstanz, Ger-

many), Syracuse University, Binghamton University, New York University, University of Michigan, University of Texas-Austin, Pennsylvania State University.

Invited Research Visits

Cowles Foundation, Yale University, 20 February–3 March, 2023.

Cowles Foundation, Yale University, 24–28 September, 2018.

Yahoo! Labs, 18–22 July 2011.

Cowles Foundation, Yale University, 4–19 April 2011.

Cowles Foundation, Yale University, 29 March–2 April 2010.

Economics Department, Northwestern University, 19–23 October 2009.

Teaching

Graduate/Postgraduate Courses:

- Penn State: Microeconometrics and Causal Inference; Econometrics I
- American Economic Association: Modern Sampling Methods – Design and Inference (Continuing Education Online Course)
- University of Arizona: Quantitative Methods for Economics; Econometrics; Econometrics II; Causal Inference and Program Evaluation; Topics in Econometrics; Empirical Workshop; Macroeconomics and Forecasting (MBA)
- Osaka University: Frontiers in Econometrics (half course)
- Harvard: Econometric Methods
- University of Miami: Topics in Econometrics; Advanced Econometrics; Applied Econometrics
- UCLA: Topics in Econometrics, Introduction to Econometrics

Undergraduate Courses:

- Penn State: Economic Forecasting
- Harvard: Introduction to Econometrics
- University of Miami: Intermediate Microeconomics; Economic Data Analysis
- UCLA: Applied Regression Analysis; Introduction to Econometrics

Teaching Fellow (Harvard University): graduate econometrics (fall 1996, fall 1997); undergraduate econometrics (spring 1996, spring 1997, spring 1998); computer consulting (1995, 1996).

Teaching Assistant (Harvard Summer School): undergraduate econometrics (summer 1994).
